

COP 23 side event

Enhancing transparency systems in the context of NDCs

Date: Wednesday, November 15
Time: 14:30-16:00
Location: UNDP Pavilion, Bonn Zone

This panel discussion with technical country experts for measurement, reporting and verification (MRV) will explore how countries prepare for tracking of nationally determined contributions (NDCs). The speakers will share experiences and best practices in strengthening national MRV systems for NDC implementation. This event is co-organized by WRI, GIZ and UNDP on behalf of the [IKI NDC Support Cluster](#) and will introduce participants to the Cluster's [Data and Transparency Working Group](#).
